## FULL-TIME EQUIVALENCY ENROLLMENT

Computation is based upon an agreement between the three state universities and the State Auditor's Office. The total hours for which all students are enrolled at the end of the third week of each semester, or session, are determined. These are added together to determine the total hours for the year. Undergraduate hours are divided by 32 and graduate hours by 20 to determine a so-called full-time equivalent.

	Academic Year		Full Year	
	Semester Hours	Full-time Equivalent	Semester Hours	Full-time Equivalent
